## **Introduction to Psychology** Rod Plotnik, Haig Kouyoumdjian

Like reading a magazine--not a textbook--Plotnik's INTRODUCTION TO PSYCHOLOGY, NINTH EDITION will draw you in and show you how exciting the study of psychology can be. Rod Plotnik's modular, visual approach to the fundamentals of psychology makes even the toughest concepts engaging and entertaining. As the pioneer of the "visual" or "magazine" style approach, each and every page of the text is individually planned, written, and formatted to effectively incorporate the use of Visual Cues, which help you to better remember information. Extensively updated, the text also utilizes "chunking," a method of breaking concepts down into small, easily digested sections that help you learn at your own pace.
