Protecting Your Family (In Touch Study) Charles Stanley

Regardless of the use of the rhetoric our nation's leaders in support of "family values" and the need to have strong families, the traditional family is under attack. Why is your family a target? Satan is the source of all attacks on the family, regardless of the difficulties that families are facing. Satan knows that if he can destroy the traditional family, he can destroy a society, and erode godly values. Your goal in protecting your family is spiritual. All family problems ultimately have a spiritual root, and the Bible is the only book that gives God's wisdom on how to address spiritual matters.

In PROTECTING YOUR FAMILY, Charles Stanley provides biblical tactics to resist and defeat attacks against the family unit, foundational principles for establishing a godly home, and practical ways to help parents strengthen and protect their families.

Dr. Charles Stanley's series of Bible study guides feature insights and wisdom of this beloved pastor and author. Small groups and individuals who want a Bible study that's spiritually sound and practical will find a wealth of ideas to help them understand and apply the Scriptures to the real world. Each title takes a unique fourfold approach to get the most out of Bible study time - emphasizing personal identification with the Scripture passage, recognition of your emotional response, reflection of the passage's meaning and application, and taking steps to apply what's been learned. This is a sound way to explore the Word of God.
