Playing with family in the park, coming to see the water world or hanging out with good friends is thing that usually you will have done when you have spare time, after that why you don't try factor that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love *The Shoshone (Indian Nations)*, you are able to enjoy both. It is fine combination right, you still wish to miss it? What kind of hang type is it? Oh can happen its mind hangout people. What? Still don't understand it, oh come on its called reading friends.

Harold Scott:

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some reserve, they are complained. Just minor students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this *The Shoshone (Indian Nations)* can make you feel more interested
