Many professionals have told me they know they need to write a book. \*They know it establishes them as the expert they are. \*They know people keep books, especially useful ones, but may throw away business cards. \*They know it will multiply their area of influence. \*They know that even giving away their own book will increase their bottom lines. Maybe they lack the confidence because they don't know the "how-to." This large print book with many memorable illustrations takes away all excuses. "Action is the basis of all obtainment." Now is the time for action - before your competitor does.
