GENKI Picture Cards on CD-ROM I This pictorial teaching resource is completely based on the content of the GENKI textbooks. The picture cards, which represent vocabulary covered in the Dialogue and Grammar section, are stored in PDF files on the CD-ROM (usable on Win/Mac systems). All picture cards can be displayed on the computer screen, searched, printed out, and copied and pasted. This resource is helpful for classroom activities, preparing handouts, and other teaching purposes. The accompanying book contains thumbnails of all the cards, indexes, and usage suggestions. The picture cards include all adjectives and verbs in the Vocabulary lists of the Dialogue and Grammar section. The picture cards for nouns and expressions depict only ones that can be effectively captured in illustration. Contrast cards present pairs of antonymous adjectives, such as atui / samui. System requirements The CD-ROMs run on Windows and Macintosh systems. Adobe Reader or another PDF reader is necessary for viewing the card files.
