Baby Business (9 Months Later) Brenda Novak

A reader-favorite contemporary romance from New York Times bestselling author Brenda Novak. She needs money, a lot of it, to pay for her daughter's operation. Macy McKinney will do anything for five-year-old Haley. Businessman Thad Winters, a widower, wants a child without the complications of a relationship. He's willing to pay for that. He interviews applicants—and hires Macy to have his baby. Once Macy's pregnant, they decide that a temporary marriage will simplify the situation—but it does exactly the opposite! A deeply emotional story about what it means to love a child—and what happens when you marry the right man—for the wrong reasons. "Brenda Novak's seamless plotting, emotional intensity, and true-to-life characters... make her books completely satisfying." —New York Times bestselling author Allison Brennan Originally published in 2000.
