Deidre found out early on in life that her sexual desires went beyond having sex with just men. Acting on her sexual desires caused her a lot of problems growing up. She does not care who she crosses or bump heads with, when it comes to fulfilling her desires. When she finishes high school, she leaves home to attend college, where she finds that she is free to explore her sexual desires to the fullest. After unfortunate circumstances arise back home, Deidre is forced to move back home and deal with a mother that does not approve of her sexual behavior. Roger was Deidre's childhood boyfriend, until she cheated on him with somebody that was close to him. Years later they end up getting back together. After Deidre becomes unexpectedly pregnant by him, they decide to settle down together. Roger thinks that the demons that Deidre possessed when they were younger are now buried, but he soon finds out that they have resurfaced. Bisexual Bliss is a book filled with eroticism and passion.
