She knows a thing or two about loss and thanks to her boyfriend, she's had more than a few lessons in hardship too. Still, she moves through life with a single minded determination to make her circumstances better... She harbors no illusions about life being anything other than what it is, so how in the *hell* could she have been so blind as to what her boyfriend Jerry was doing!? Could the worst day of Everett's life actually turn out to be the best thing to ever happen to her when she pulls into Dray's garage? Could Everett's arrival on Dray's doorstep herald a new beginning for Dray, and heal some of his broken? ****Mature Audiences Only (18+)****
