Driving with Plato: The Meaning of Life's Milestones Robert Rowland Smith

“This book is elegant proof that philosophy doesn’t have to be fusty and musty” (A.J. Jacobs, bestselling author of *The Year of Living Biblically*).

Learn to ride a bicycle with Einstein, have your first kiss with Kant, get your first job with Adam Smith, and weather midlife with Dante. Let history’s greatest minds illuminate life’s turning points. In *Breakfast with Socrates*, Robert Rowland Smith brought the power of philosophy down to earth by proving, in a very engaging and entertaining way, that human moments meet big ideas on a regular basis. Now Smith offers the natural offspring of that book, expanding the “day in a life” concept to life as a whole in *Driving with Plato*.

Smith draws on the great philosophers, as well as on literature, art, politics, and psychology, creating the richest possible range of ideas for readers to contemplate, all in a warm, humorous voice that revels both in life’s absurdities and in the pure delight of discovery. Grounding abstract ideas in concrete experience, *Driving with Plato* helps us think more deeply about the key events in our lives even as it provides a philosophical education that everyone can appreciate and enjoy.
