...written with a vibrating "passion" if that terminology didn't exist before - it does now....I found that Jack was the kind of guy I liked immediately while Sandy was just perfect - I chose to review it because of the mystery behind it.

left to hurt?

"The United States is a Kingdom ruled by the Wealthy. The richest Americans have quietly taken control of the largest share of assets in U.S. History. Terrorism is a ticking time bomb and Congress won't get out of its own way to stop it. The Founding Fathers had it right. Jefferson, Lincoln, Kennedy - Men of honor and sacrifice once walked these halls.

Never has there been a weaker body occupying this house. Answer the call - Now is the hour. Put aside your Washington egos and work together for the good of America. The greatest Nation on earth with her vast resources and her people strong and willing. Stop selling her out for trinkets. Make America great again! Come together - serve the people."
