Risk Intelligent Supply Chains: How Leading Turkish Companies Thrive in the Age of Fragility Çagri Haksöz

This unique, avant-garde, and pioneering book brings the *Risk Intelligent Supply Chain (RISC)* concept to life for the first time. It answers the question of *how to become a risk intelligent supply chain*. The book proposes the *I-Quartet Model* with four essential roles "*Integrator, Inquirer, Improviser, and Ingenious,*" that any supply chain network must play to become risk intelligent.

The book also presents never-before-published business insights of leading global Turkish companies such as Kordsa Global, Brisa, and AnadoluJet (Turkish Airlines) and their risk intelligent supply chain practices. This book is a must-have for any business leader looking to better understand their global position and develop their strategic capabilities.
