Aspiring romance author Courtney Malone lives a rather humdrum life. Between working as a studio musician and writing her books, nothing exciting ever really happens for her. That is, until a chance meeting with a handsome man at the mall changes everything.

Elijah Sharp is many things - a champion boxer, a kind soul, and the son of a billionaire boxing promoter - but what's he's not is a man in love...yet. When a run-in that could have gone oh, so wrong suddenly feels right, Elijah knows that the shy, down-to-earth Courtney is for him, but she fears that an event she signed up for long before meeting him will ruin the prospect of love and happiness for them.

Can this couple prove that opposites do attract and that true love can be found in the strangest places?
