## **The Death of Comedy** Erich Segal

In a grand tour of comic theater over the centuries, Erich Segal traces the evolution of the classical form from its early origins in a misogynistic quip by the sixth-century B.C. Susarion, through countless weddings and happy endings, to the exasperated monosyllables of Samuel Beckett. With fitting wit, profound erudition lightly worn, and instructive examples from the mildly amusing to the uproarious, his book fully illustrates comedy's glorious life cycle from its first breath to its death in the Theater of the Absurd.

An exploration of various landmarks in the history of a genre that flourished almost unchanged for two millennia, *The Death of Comedy* revisits the obscenities and raucous twists of Aristophanes, the neighborly pleasantries of Menander, the tomfoolery and farce of Plautus. Segal shows how the ribaldry of foiled adultery, a staple of Roman comedy, reappears in force on the stages of Restoration England. And he gives us a closer look at the *schadenfreude*--delight in someone else's misfortune--that marks Machiavelli's and Marlowe's works.

At every turn in Segal's analysis--from Shakespeare to Molière to Shaw--another facet of the comic art emerges, until finally, he argues, "the head conquers and the heart dies": Letting the intellect take the lead, Cocteau, Ionesco, and Beckett smother comedy as we know it. The book is a *tour de force*, a sweeping panorama of the art and history of comedy, as insightful as it is delightful to read.

### From reader reviews:

#### **Jerry Brock:**

What do you concentrate on book? It is just for students because they are still students or it for all people in the world, what best subject for that? Just simply you can be answered for that concern above. Every person has distinct personality and hobby per other. Don't to be obligated someone or something that they don't want do that. You must know how great along with important the book The Death of Comedy. All type of book could you see on many methods. You can look for the internet solutions or other social media.

#### **Cassie Merritt:**

Reading a publication tends to be new life style on this era globalization. With studying you can get a lot of information that could give you benefit in your life. With book everyone in this world can share their idea. Books can also inspire a lot of people. Plenty of author can inspire all their reader with their story or their experience. Not only the storyplot that share in the guides. But also they write about the knowledge about something that you need instance. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors on earth always try to improve their skill in writing, they also doing some study before they write to the book. One of them is this The Death of Comedy.

#### **Pauline Lipman:**
