The Poems of Marianne Moore

Marianne Moore

The Poems of Marianne Moore Marianne Moore

More than thirty years after her death, Marianne Moore continues to be one of America's most beloved poets. However, her *Collected Poems* (1951) omits twenty years of later beauties. And her inaccurately titled *Complete Poems* (1967) is likewise incomplete, leaving out nearly half of her body of verse and giving readers only a partial view of her work.

This complete collection of Moore's poetry, lovingly edited by the prizewinning poet Grace Schulman, for the first time contains *all* of Moore's poems, including 120 previously uncollected and unpublished ones. Organized chronologically to allow readers to follow Moore's development as a poet, the volume includes an introduction, all of Moore's original notes to the poems, along with Schulman's notes, attributions, and some variants. This long-needed volume will reveal to Moore's admirers the scope of her poetic voice and will introduce new generations of readers to her great achievement. *The Poems of Marianne Moore* is a must have both for Moore devotees and any reader seeking an introduction to the work of one of America's greatest poets.
