God has redefined the world of management for the Christian leader through scripture. He isn't focused on bottom lines, demographics, or profit margins; Christ presents the paradox of being a leader and a servant at the same time. In *Grace-Full Leadership*, Bowling explores the leadership qualities and practices that are distinct within the community of Christian leadership. Discover, when managing first as a Christian and second as a leader, how your company or organization can grow exponentially in spiritual gains--an eternity of difference in today's capital gains.
