Deputy Sheriff Jane Clark had been in law enforcement for nearly thirty years and was looking forward to retirement. Her plan was to coast through her remaining time on the force, retire with her newly found love, Alice, and live happily on her small organic farm. Her farm was near Hank, a fairly uneventful community, nestled in the Ozark hills of southern Missouri. And everything was fairly quiet; that is, until the aliens arrived and Jane's gravely ill ex-husband, George, asked for her help to expose the toxic wrong doings of the chemical plant where he worked. Jane felt overwhelmed, luckily she had her trio of jokester guardian Aliens to come to her aid.
