President Blog Doug Magee

An anonymous blogger wins the Iowa, New Hampshire and South Carolina Democratic primaries through a social media-driven write-in vote and the political establishment is beside itself. A manhunt for the mysterious blogger ensues and questions about personality versus ideas in politics dominate the campaign. Can this outsider be stopped? Or will the next occupant of the White House be a question mark even after his, or her, inauguration? Called "the best political satire since Larry Beinhart's Wag The Dog" President Blog plumbs the current state of politics in the U.S. and manages to be even funnier than the real campaign.
