Dear Readers,

This ebook is my thank you gift to all you who have taken the time to email me privately and leave reviews about how much you enjoy the world of Pearl Island and all its characters. The first three books in the series were originally published in print by St. Martin's Press. When I re-released them as ebooks, your affection for the stories inspired me to add an extra "epilogue" to the end of Books 1 - 3 so you could see what's happening at the Pearl Island Inn today.

When is the best time to read the Bonus Chapters? After you've finished Don't Tempt Me, Book 3 in the series, and before you read Lie to Me, Book 4, which is Chloe's story.

If you haven't read the series, this ebook can read as three short stories to introduce you to the enchanting world of Pearl Island and the St. Claire siblings who turned a dilapidated mansion into a thriving bed and breakfast haunted by their colorful ancestor and her pirate lover.

Welcome back to Pearl Island!

Best,

Julie Ortolon
