Wickedness (Routledge Classics)

Dr Mary Midgley, Mary Midgley

Wickedness (Routledge Classics) Dr Mary Midgley, Mary Midgley

To look into the darkness of the human soul is a frightening venture. Here Mary Midgley does so, with her customary brilliance and clarity. In *Wickedness* she sets out to delineate not so much the nature of wickedness as its actual *sources*. Midgley's analysis proves that the capacity for real wickedness is an inevitable part of human nature. This is not however a blanket acceptance of evil. She provides us with a framework that accepts its existence yet offers humankind the possibility of rejecting this part of our nature. Out of this dark journey she returns with an offering to us: an understanding of human nature that enhances our very humanity. To read *Wickedness* is to understand Mary Midgley's reputation as one of the world's greatest moral philosophers.
