When the truths set forth in this book were revealed to me by the Master they deeply affected my life, and some of them have been used by me in my sermons and addresses in Europe, America, Africa, Australia, and Asia. At the request of many friends I have now gathered them together in this little book, and though it is possible that there are defects in setting them forth, I am sure that those who read them with prayer and an unprejudiced mind will benefit from them as I have. It would be impossible for me to set forth these truths that have been revealed to me except in parabolic language, but by the use of parables my task has been made comparatively easy. It is my prayer that as God by His grace and mercy has blessed me by these truths, so also they may be a blessing to every reader.

Your humble servant, Sundar Singh
