This book was a mixture of Christopher Millers Ideas for design and layout. Researchers and professional dog lovers were a big help with the layout and what I should do.. It was written and put together by The Signing Author Christopher Miller.

The question was asked to Christopher: Why did you go through the expense again after there are so many books out there about dogs?

Christopher Miller Replied: Because of my love for dogs and I wanted the job done right. If it means possibly saving a dog's life then it was worth every dime. I love my dogs Woody and Snoopy. They are the treasures of my life.

Yes I am a loving father to my two dogs.

I am dedicating this book to Woody, Snoopy and all of the suffering sheltered animals in the world. Please adopt and cherish your new treasures.
