A young soul enters a Waffle House in search answers to a question he did not understand. By the end of the night he came to realize the true purpose of life is not to find the right answer but to ask the right question. Echoes of a Whisper is a story of self-discovery that follows a soul as he attempts to answer the question "What do I seek?" During the course of his journey the soul discovers this simple question is not so easily answered because understanding your deepest desire is to reveal your authentic self which is a task few souls have ever accomplished. Chronicled in a series of short stories, prose, essays and quotes of life, rediscover the destiny of souls and the origin of life along this spiritual journey. Read quotes from the philosopher Socrates, Ralph Waldo Emerson, Gospels of the Bible, verses of the Quran, the Sufi poet Rumi, words from the Tao te Ching and Buddhism to find the hidden spirit resting at the heart of all major religions and philosophies. Truth is not in the destination but the quest; you are who you are for a reason, now find it.
