Despite its title, this is a book that tells a story of a time when I had just gotten out of a bad relationship. My ex-girlfriend cheated on me and left me heartbroken, so I decided to shake things up a little bit.

I left the country for Tel Aviv and decided to change my image, trying to make myself look more like the girl my ex had cheated on me with.

While there, I hooked up with a friend of a friend. We got to be close very fast, but you know what they say. History has a way of repeating itself, no matter if you learn from your mistakes or not!

I don't want to give away too much of the story, but feel free to read the preview of the book if you want a taste!

This story required a lot of work and I hope you enjoy reading it as much as I enjoyed writing it!
