'When you have caught the rhythm of Africa, you find that it is the same in all her music.' From the moment Karen Blixen arrived in Kenya in 1914 to manage a coffee plantation, her heart belonged to Africa. Drawn to the intense colours and ravishing landscapes, Karen Blixen spent her happiest years on the farm and her experiences and friendships with the people around her are vividly recalled in these memoirs. Out of Africa is the story of a remarkable and unconventional woman and of a way of life that has vanished for ever. A new series of twenty distinctive, unforgettable Penguin Classics in a beautiful new design and pocket-sized format, with coloured jackets echoing Penguin's original covers.
