Reputation Management for the Average Joe: Communication and Reputation Management for Successful Public Relations and Corporate Communication Sally Green

In today's digital world, managing your business's online reputation is more important than ever. Just think about it, when you hear about a new company, the first thing you do is look it up online. It is easier than ever for people to post reviews and criticism about companies online, and it is important that you learn how to manage your reputation. In this book, I will teach you how to create a system to manage your online reputation, help you build your brand and be ready to deal with negative reviews, provide simple, easy-to-follow steps to manage your reputation, and how to identify and incorporate negative SEO keywords to manage your online reputation. The strategy that I provide will be explained using personal examples from my own businesses. I will show you what I have done to ensure that people don't see any of my negative reviews.
