Turning Over a New Leaf in Madison, Wisconsin is the key points of 33 year summary psychiatric diary describing my ongoing progress through adolescence to adult years with inappropriate mistakes which hindered my recovery. I progress a few steps at a time over years. My recovery was constantly evolving into other steps. Eventually I worked as a representative of mental health consumers since I knew what was needed for them. Adolescents can learn from this history. It points out even though I developed a mental illness I was still able to contribute to society in my own way as a mental health consumer representative. Turning Over a New Leaf in Madison, Wisconsin is an example of hope for adolescents who are struggling with similar problems that start in youth and continue into adulthood. It will help them make good choices and show them they can make a comeback after poor choices that can have an impact on their life. Turning Over a New Leaf in Madison, Wisconsin is an educational resource material book about what some people live with from day to day. It is meant to teach good living habits can possibly avoid certain lifestyle instead of experimentation out of curiosity resulting in dire consequences. Instead read about the lifestyle as a means of finding out what it is all about and why avoid it. Some people can learn to adjust to the symptoms and live a better life.
