Alex Scarston, Earl of Selbourne. Rake. Spy. With his efforts for England in the war against the French suspended, family obligations compel him to investigate the disappearance of Viscount Brigham's son. When the viscount's daughter becomes involved as well, Alex finds himself entangled in a venture that risks both heart and soul.

It's not that Lucia Dashing, youngest daughter of Lord Brigham, wants Alex to go away. She just wishes he wasn't always so close—perhaps a few rooms, or streets, or continents between them would bank the heat of her attraction. But when her brother disappears, she's no choice but to engage the earl in a battle risking her brother, her country, and her love.
