Growing more popular with each new novel (over 100,000 copies in combined sales), author Jerry Eicher continues the Hannah series with this intriguing glimpse into a young Amish couple's early marriage.

Hannah Byler is now married. She and Jake live in a small Amish community near Montana's Cabinet Mountains, and the rough log cabin is far from everything Hannah holds dear. Anxious about her new role as wife and soon-to-be mother, Hannah understands she must learn to control her anxious heart if her marriage is to survive.

Just as the young couple settles into their new routine, Jake loses his timber job and answers the call to ministry. With winter pressing in and money scarce, Jake and Hannah discover hardships can either drive them apart or draw them closer. Determined to find hope despite fearful conditions, they struggle to survive in this harsh land and bear their responsibilities with grace.
