There's a little newcomer at Benny's house, and everyone who visits says how beautiful she is. Only Benny seems to notice that she cries too much and she takes away from his time with Mom and Dad. What's the big fuss about? Then one night Baby Delilah really won't stop crying, and her big brother Benny comes up with a silly, perfect way to make her smile.

Jean Van Leeuwen's gently humorous text captures the mixed emotions of gaining a new sibling, and this adorable story is perfectly teamed up with LeUyen Pham's cheerful and lively illustrations.
