Diaspora Journey - A Passover Haggadah Drama - REVISED EDITION Corey-Jan Albert

A uniquely conceived Passover Haggadah, structured as a play in which people act out consistent roles throughout the evening. It takes place at Seder tables through history, telling not only the story of the Jews' exodus from Egypt, but also the continuing tale of Jewish survival through the ages. This revised edition includes key updates - including new music by the author - and follows the traditional order more closely than the original version, to enable the widest possible audience to experience and enjoy it.
