La Force du Changement: Bâtir un pays plus beau qu'avant (French Edition)

Noel K. Tshiani M.

La Force du Changement: Bâtir un pays plus beau qu'avant (French Edition) Noel K. Tshiani M. Malgré les efforts entrepris par les gouvernements et régimes politiques successifs, la République Démocratique du Congo traverse depuis son accession à la souveraineté internationale une situation chaotique : il n'existe pas de classe moyenne dans le pays, l'économie est extravertie et tout est fait pour l'étranger en laissant les nationaux sans grandes opportunités. Les politiques de stabilisation macro-économique à court terme, bien qu'importantes et essentielles, ont montré leurs limites et n'ont pas un grand impact sur le vécu quotidien de la population. Pour faire face aux innombrables défis, Dr Noël K. Tshiani M. présente sa vision sous forme d'un projet de société dénommé « La Force du Changement : Bâtir un pays plus beau qu'avant ». Visionnaire et réaliste, ce projet est composé de programmes sectoriels à mettre en oeuvre de façon synchronisée en quinquennats dans le cadre d'un plan de développement.

From reader reviews:

Michelle Saunders:

The reason? Because this La Force du Changement: Bâtir un pays plus beau qu'avant (French Edition) is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will shock you with the secret the idea inside. Reading this book adjacent to it was fantastic author who also write the book in such remarkable way makes the content inside of easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This book will give you a lot of advantages than the other book get such as help improving your proficiency and your critical thinking means. So , still want to delay having that book? If I have been you I will go to the book store hurriedly.

Clara Reece:

Playing with family in a very park, coming to see the water world or hanging out with pals is thing that usually you have done when you have spare time, then why you don't try thing that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge.
