Book # 2 Motown Girl - Sister Golden Hair chronicles her roller coaster ride through the early 70s growing up in the inner city of Detroit's Westside. Hitting the teen years during the underground time of extreme change, uprisings, experimenting with everything under the sun, came at a very high price—robbery of her self worth, and even more importantly to her was the stolen innocence of the ones she loved. Highly educated in cultured urban habit, she forevermore ran restlessly, but by the grace of God she escaped. However, some of those she held closest to her heart paid the piper with their lives. In her own words, “No one told us that stuff would kill ya.”
