Love? That's for suckers.

Don't get me wrong, I'm thrilled my friend Jasmine found a hot guy who's crazy about her but I'm not interested in that for myself. I've got other things to think about, such as how to pay rent.

Besides, life has taught me that trusting people only ends in heartache.

When Jasmine claims her new man is an alien...well, she's lucky I don't call the dudes in white coats. But I discover she's not as crazy as I thought when another, even hotter alien snatches me away and rocks my world. Worst of all, my heart betrays my brain and actually starts falling for the guy...alien...whatever.

Now we just need to find our way out of this swamp he's stranded us in without getting eaten by gators, snakes or panthers.

Oh my.
