The 43rd Mistress: A Sensual Odyssey Grant Antrews

"Once in a while you find a lady who knows what this activity promises, who understands what she's about, and why you're there, and what she can make of you. She opens doors and allows me to peer down into myself, into the depths of my very soul. She gives me permission to show her my essence, my masculinity, my courage and heart. I can trace my attraction to S&M back to the age of five; I first submitted my bare bottom to a lady for discipline in the autumn of 1963. Twenty-eight years later I admitted my obsessions to my wife... It is so wonderful to share my excitement with my life's companion! I am loved by my dominatrix, I sleep with her and share my most daring thoughts, and sometimes I lower my trousers and go across her lap to be spanked. I love her, and I am incredibly fortunate!"
