Part fantasy, part mystery, Travis Eldritch Problems are all wit. Travis and Jet have rebuilt their P.I. firm, but Travis still says yes to any client who needs them. This time he would have been better off saying no. Trouble seems to multiply as fast as their clients and it becomes harder and harder to identify who is a killer and who is a victim. If they don't figure it out in time than this may be the last problem Travis will have to deal with.

This is the second story in the Travis Eldritch Problem series.
