But when Anamae discovers a brooch identical to her mother's favorite pendant, she unknowingly invites a slew of trouble into their world. When the brooch and the pendant are worn together they're no longer pretty pieces of jewelry -- they're part of a highly developed technology capable of cloaking the human form. Triggering the jewelry's power attracts the attention of a secret society determined to confiscate the device -- and silence everyone who is aware of its existence. Anamae knows too much, and now she's Enemy Number One.

She's forced to leave her father behind when she's taken in by a group determined to keep her safe. Here Anamae searches for answers about this hidden world.
