Handicapping Magic Michael Pizzolla

Handicapping Magic presents a comprehensive approach to handicapping the thoroughbred horse race. It's not just another book by an expert showing how good he is. Instead, the techniques are explained step by step and there are dozens of real life examples. Complete instructions on calculating the Fulcrum Pace, Pace Balanced Speed Numbers, Projected Power Fractions, Form Cycle Windows, and much more are provided. The book also contains valuable advice on avoiding the Seven Illusions that can defeat the player, and how to answer the Seven Magic Questions in a Race. Most importantly, the real meaning of the overlay--a true value bet--is revealed and the book will show you how to find them and capitalize from them. The techniques revealed in this book are so simple and straightforward, so easy to use that it will truly seem like Handicapping Magic!

From reader reviews:

Archie Moriarty:

Book is to be different for each and every grade. Book for children right up until adult are different content. As you may know that book is very important normally. The book Handicapping Magic seemed to be making you to know about other understanding and of course you can take more information. It is rather advantages for you. The book Handicapping Magic is not only giving you considerably more new information but also to be your friend when you really feel bored. You can spend your personal spend time to read your book. Try to make relationship with all the book Handicapping Magic. You never truly feel lose out for everything when you read some books.

Elisa Hall:

As people who live in the actual modest era should be revise about what going on or data even knowledge to make them keep up with the era that is certainly always change and advance. Some of you maybe will probably update themselves by reading through books. It is a good choice for yourself but the problems coming to you is you don't know which one you should start with. This Handicapping Magic is our recommendation to make you keep up with the world. Why, since this book serves what you want and wish in this era.

Edna Brooks:

Reading a reserve tends to be new life style within this era globalization. With reading you can get a lot of information that could give you benefit in your life. Using book everyone in this world could share their idea. Publications can also inspire a lot of people. Lots of author can inspire all their reader with their story or even their experience. Not only the storyline that share in the guides. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on earth always try to improve their talent in writing, they also doing some analysis before they write with their book. One of them is this Handicapping Magic.

Perla Baxter:

Playing with family in the park, coming to see the water world or hanging out with pals is thing that usually you will have done when you have spare time, subsequently why you don't try thing that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition of information. Even you love Handicapping Magic, you are able to enjoy both. It is very good combination right, you still need to miss it? What kind of hang-out type is it? Oh can happen its mind hangout guys. What? Still don't understand it, oh come on its identified as reading friends.
