Molly's Organic Farm

Carol L. Malnor, Trina L. Hunner

Molly's Organic Farm Carol L. Malnor, Trina L. Hunner

Whoosh . . . the wind blows open a creaky gate. Inquisitive and mischievous, a homeless little cat scampers through—and suddenly finds herself in the wondrous world of an organic farm! Affectionately named "Molly" by the farmers who discover her, she romps, naps, and hunts among the vegetables. Seen through Molly's eyes, the reader discovers the interplay of nature that grows wholesome food. But what will happen to Molly when winter comes? Based on a true story, Molly will touch children's hearts while introducing them to plants and the key elements of growing food organically. Standards-based science concepts and activities at the end of the book expand the message of the story.
