WAR IS HELL!!! It has been said millions of times throughout history. For Snoe Gainey, it is a phrase with a deeper meaning. Humanity has survived twenty years after the dead began to walk only to be brought to the edge of extinction by its own hand. But there is more... Ghosts from the past rise up one final time...mystic prophecies from the Native Americans are whispered...a zombie/human hybrid that embodies pure evil, and the last showdown to determine the fate of every living soul. All of this await in Zomblog: Snoe's Journey.
