Expertus (The GenEx Saga Book 2) Holly Lauren

In the second installment of The GenEx Saga, high school senior Chapel Ryan continues to learn more about Tempus—the genetic exception she possesses that allows her to manipulate energy. Chapel's worlds collide when a threat meant for her endangers someone she loves. In her search for answers and retribution, Chapel unravels mysteries surrounding the GenEx world that places her life in more peril than ever before.

Chapel thought finding out that her father was actually alive would be the biggest shock of her life. As it turns out ... she was wrong.
