Be informed before you bid farewell to your pet

One of the most difficult aspects of being a pet owner is making end of life decisions for beloved dogs and cats. While many end up deciding to put their pet to sleep, the euthanasia procedure remains a mystery for most people adding to the stress and fear an owner experiences at this critical time. Author Julie Reck is a veterinarian who has devoted her professional career to helping owners make more informed decisions about euthanasia. In Facing Farewell, you will be provided with a complete description of the euthanasia procedure so that you will know what to expect and be confident that you have made the right choice for both you and your pet.

You will learn about

The symptoms of pain and discomfort pets display as they approach the end of life.

Information you should gather and share with your veterinarian as well as questions you should ask your vet about how she conducts a euthanasia procedure.

What options are available in terms of medications and techniques used during euthanasia so you can be a more informed advocate for your pet.

What happens when in detail during euthanasia so that you will know what to expect.
