FEAR RUNNER follows a high-energy trajectory to an electrifying conclusion. Being in the wrong place at the wrong time is often challenging, but it is usually not life threatening—unless your name is Lauren Chandler. After Lauren inadvertently overhears a high-level government official illegally release priceless information to an unknown accomplice, she is on the run from the world's most dangerous assassin. Although Scott Quinn, a futures trader, had first met Lauren hours earlier, he faces a difficult decision. Becoming embroiled in her predicament would not only take him away from his career at a critical time, it will put him in harm's way. Gunshots force his decision.
