Guia monitorizada de partituras (segunda entrega) (Spanish Edition) Miganru Miganru

Introducción. Esta segunda entrega consta de 35 biografías de grandes compositores de todo el mundo, con una muestra de sus mejores piezas, que incluye sus partituras, la mayoría de ellas interpretadas de nuevo en video por el gran pianista Philip Sear, del que nos hicimos eco en la anterior entrega. Además, esta colección incluye 14 compositoras, algo verdaderamente inusual teniendo en cuenta que la música y la composición, hasta hace poco, ha sido un terreno prohibido para las mujeres, cuyo papel en la sociedad se limitaba a la maternidad y a actuar como consorte discreta de su marido. Es realmente difícil encontrar información sobre compositoras, como lo es encontrar pepitas de oro en el río. Por lo tanto quien esto escribe, confía en que el lector sepa apreciar el esfuerzo recopilatorio que hay en esta obra. Este libro es una Guía de vídeos y partituras en url para amantes de la música. La estructura de esta guía es la siguiente: 1. Biografías. 2. Vídeos demostrativos, sobre las piezas seleccionadas (unos 129). 3. Partituras disponibles para dichas piezas (siempre en url y siempre en licencia Creative commons, o sea, de libre distribución) (unas 90). Como la anterior, esta guía está especialmente diseñada para pcs, tabletas electrónicas (ipad, kindle touch, blackberry...) y por supuesto el famoso lector kindle. De nuevo, desde Divulgación y Ficción deseamos que el lector vuelva a deleitarse con este libro y sepa apreciar los esfuerzos de compilación realizados. MIGANRU.
