Twisted: A Stepbrother Romance Mia Carson

Maddy breaks up with her boyfriend and her long-time confidant, Nick, steps up to comfort her. Things accidentally get out of hand and Nick and Maddy break certain unspoken boundaries.....

Maddy

I wanted to scream out to Nick that he was the right man for me and that he should be my first, but how do you tell someone that forbidden that he should take you? **That was just so wrong.** I swallowed hard and tried to smile at him, doing my best to control the wild, warm feeling spreading through me. Damn, I needed to stop thinking dirty.

NICK

Over the years, I managed to fool her into thinking all I wanted nothing more from her. What she didn't know was that I used her as a yardstick for the girls I dated, and since no one ever came close to her, my relationships with them didn't last. I had a reputation as a player, and I didn't want to correct it so Maddy didn't think I was available. **The truth was that she was the only one I ever truly wanted.**
