You're Designed to Shine

Christina DiMari

You're Designed to Shine Christina DiMari

Newly revised edition.*

Perfect for individual or group study. Especially great for college girls, teens, and mother-daughter groups.

You're important. Your life matters.

It matters to others, and it matters to God.

God designed you to shine...no matter who you are...where you've been...or where you're about to go. He has a plan for you.

During the 6-sessions of *You're Designed to Shine!* you'll...

- Ponder the dreams you have for your life
- Explore how God designed you to shine
- Recognize your true friends...those who support and encourage you—your "pod"
- Allow God to reveal "pearls" (mentors) in your own life and to refine you into a "pearl" for others
- Surrender yourself to God and accept the gifts he's given you
- Let God use you and "ride the wave" of his dream for your life.

You're Designed to Shine! is the perfect study for any woman or girl who needs to be affirmed and discover God's plan for her life....that God can and wants to use her and that her life matters.

So where will you go in life?

What will you bring?

Who will join you?

Find out through *You're Designed to Shine!*

Includes leader notes for group study. Each person needs her own *You're Designed to Shine* Guide. Allow 1½ to 2 hours for each session, or adapt as a one-day retreat (instructions included).

**You're Designed to Shine* was formerly sold as two separate resources: a leader guide, and participant journal. This new edition combines both resources into one. Every woman needs her own copy. Leader notes included.

From reader reviews:

Brandon Riddle:

What do you concentrate on book? It is just for students since they're still students or this for all people in the world, what the best subject for that? Just you can be answered for that issue above. Every person has different personality and hobby for each other. Don't to be obligated someone or something that they don't wish do that. You must know how great along with important the book You're Designed to Shine. All type of book would you see on many options. You can look for the internet options or other social media.

Joseph Jackson:

People live in this new time of lifestyle always aim to and must have the spare time or they will get lot of stress from both way of life and work. So , when we ask do people have extra time, we will say absolutely of course. People is human not really a robot. Then we request again, what kind of activity have you got when the spare time coming to a person of course your answer will unlimited right. Then do you try this one, reading textbooks. It can be your alternative inside spending your spare time, often the book you have read will be You're Designed to Shine.

David Black:

Are you kind of active person, only have 10 or 15 minute in your moment to upgrading your mind skill or thinking skill perhaps analytical thinking? Then you have problem with the book in comparison with can satisfy your short space of time to read it because all this time you only find reserve that need more time to be examine. You're Designed to Shine can be your answer as it can be read by you who have those short time problems.

Louis Trent:

The book untitled You're Designed to Shine contain a lot of information on that. The writer explains the woman idea with easy way. The language is very easy to understand all the people, so do not really worry, you can easy to read that. The book was compiled by famous author.
