- The early work of Gene Luen Yang, author of *American Born Chinese*, is collected in this special edition containing Gordon Yamamoto and the King of the Geeks, and Loyola Chin and the San Peligran Order, plus an all-new story by Yang. *Animal Crackers: A Gene Luen Yang Collection* tells two stories of two very different young people who encounter the extraordinary while living their ordinary lives. Gordon, a sweet but not very deep-thinking high school student, has his life as a bully disrupted when a tiny alien aircraft lodges in his nostril. Meanwhile, Loyola must question her surety in her intellect when a junk-food-fueled dream encounter with a powerful alien being forces her to ask if it's better to be smart than virtuous.
