Tyler taps into the emotions beautifully and the result is a captivating story." A reader of 'It's a Secret, Santa,' stated: "Very nice! Love the realism of fantasy vs. reality often experienced. Looking forward to more." And "Stickler for Details" won: "I also liked Ms. Tyler's 'Stickler for Details,' clearly based on her own life. She did not change her own name in the story; she is fully a character, a little meta-detail which adds a nice little frisson to it." This 15K collection is intended for adults only. Spankers beware.
