Dreaming of Love: Emily Braden: Love in Bloom: The Bradens, Book 5 Melissa Foster

In *Dreaming of Love*, Emily Braden is a leader in architectural preservation, a pillar in her small hometown, and successful in everything she does - with the exception of finding true love. She's watched several of her brothers fall in love, and she needs this trip to Tuscany to get away from it all and to stop focusing on what she doesn't have.

Dae Bray doesn't do flings, and he never stays in one place for very long. As a demolitionist he goes where jobs take him, and the more often he travels, the better. His trip to Tuscany is all work - until he meets smart and sexy Emily, who makes him reconsider his fear of settling down, his no-fling rule - and just about everything else he's ever believed about himself.

Passion sizzles as Dae and Emily explore the history and beauty of Tuscany. Their romance moves beyond tourist attractions to the bedroom, blossoming into a deep connection neither can deny. But their worlds collide when Emily wants to preserve the property that Dae is there to demolish. Can a woman who sees the beauty in preservation and a man whose life is spent tearing things down find a solid foundation for their love?

Lorraine Joyner:

As a scholar exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just small students that has reading's heart or real their interest. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you. As we

know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Dreaming of Love: Emily Braden: Love in Bloom: The Bradens, Book 5 can make you experience more interested to read.
