## Golf Greens and Green-Keeping

The first book to publish in our new series The Classics of Golf Course Maintenance and Construction. This vintage book is an exact reprint of the highly sought-after, circa 1906, *Golf Greens and Green-Keeping*, by Horace Hutchinson. A celebration of the modern-day golf course superintendent, this amazing book takes you back to the roots of the profession, providing the cornerstone on which current maintenance and construction practices were built. With basic principles that hold true today, *Golf Greens and Green-Keeping* educates through insightful chapters on green construction and maintenance, bunker placement and design, maintenance of fairways and tees, and course routing and strategy—along with rarely seen photographs from the turn of the century.

Vintage photographs of St. Andrews, Hoylake, Royal St. Georges, North Berwick, Prestwick, Walton Heath, and more show the mastery of their original designs. From the unique hazards, to classic holes—Redan, and green complexes that simply can not be copied, this book is almost impossible to find, and is extremely rare. Copies can sell for more than one thousand dollars! Now you can add this treasure to your personal collection., with many more classics to follow!
