Lady for the Vikings: Pillaged and Plundered (Historical First Time Group Erotica) Circe Ridley

"All of them? But there are so many..."

Deirdre is far too **innocent and untouched** for her own good. When a **band of Vikings** shows up at her castle in the middle of the night, all that is about to change. Being the lady of the castle, she is given a choice - give herself to the men or watch them share her staff. Her need makes her decision more than easy.

Big, throbbing and rough are just a few words to describe the demanding men. Their leader, Bjorn, sweeps Deirdre off her feet with his **massive muscles** and even bigger package. Bjorn and his men are ready to give Deirdre the best time of her life, **rough and unprotected!** She never knew what kind of **dirty pleasures** her body could feel before giving herself to the countless Vikings, all hungry to taste and take her curvy, willing body.

One thing is for certain, Deirdre won't be innocent after they get through with her!
